A graduate from the University of the West of England, excited to become fully immersed within the creative industries. Having specialised in storyboarding, I am fascinated by storytelling and the different approaches for communicating ideas.

## Experience:

### **Storyboard and Design for a music video, Kent 2021 - present**

Responsible for the storyboards and design.

Utilized strong interpersonal skills to work closely with Director and client to create the desired end result.

### **Digital Illustrator, Inquire Magazine, Kent 2019**

Creating and designing an illustration for an article about female health from a brief.

### **Scientific short film Director, CONNECTED, Bristol 2019 February - June**

Directing, producing, storyboards, animation and post production.

Working in person and via email with clients.

In collaboration with The University of Bristol and CONNECTED's international scientific community, has been viewed over 5,000 times worldwide.

### **Short film Director for pre-school children, Bristol 2018 September - December**

Storyboards, Direction and animating, in this role I achieved in creating a film with a high level of appeal for 4-5 year olds.

### **Intern, A plus C Studios, Kent 2017 April**

Engaged with creating treatments to pitch including drafting storyboards, design research and marketing.

Assisted with time management and shot recording as a runner on sets.
